

## **NUMBER ONE HEAVY EQUIPMENT SERVICES.**

**Category:** Machinery

**Subcategory:** Engineering & Construction Machinery

**Exporter:** [NUMBER ONE HEAVY EQUIPMENTS LLC](#)

**HS Code:**

### **Product Description:**

In order to satisfy the market of the maintenance need of overhead cranes, we after 6 months of operation launched a division. During the last few years, we have signed up major annual maintenance contracts where by we offer preventive maintenance to unexpected breakdowns of the EOT cranes. We have installed and commissioned more than 600 cranes in UAE, Sultanate of Oman, Bahrain, etc.
